This is a juried event, so if you would like to apply for a table, please email a link to your website, or send photos of your work by email to the address above, and include your phone and email contact information. If you would like more information, call Hillie at the number above.

Our worship space is beautiful – picture the room below (without chairs), with tables for craft and art sales lining both sides. The silent auction, food and beverages, and sale of donated items will take place in other rooms of the church. Come have fun with us and support Grace’s many ministries in downtown Allentown.
